

TEN COMMANDMENTS FOR WALKERS

1. Walkers must be on their best behavior. Remember, we are ambassadors for Christ.
2. ALL participants MUST wear a name tag received from the Registration Table.
3. Children MUST be accompanied by an adult.
4. Walk with “buddies.” No one should walk alone. Make sure someone in each group has a cell phone in case of an emergency. You will receive an emergency number before you start.
5. Running/jogging is allowed but only with parental/Captain’s permission. No one under 18 may run alone (buddies). Use caution jogging around “walkers” and especially at road crossings. THIS MISSIONS EVENT IS NOT A RACE!!!
6. DO NOT LITTER!!
7. DO NOT walk on private property or cut across lawns.
8. Be friendly to all passers by.
9. Joyfully sing and prayer-walk as you walk. Ask God to bless our International Ministries. Ask God to give wisdom and discernment to our leaders who faithfully serve. This year, there will be a special International Ministries Prayer requests distributed at the half-way point. Stop a few moments and pray/sing/praise/worship.
10. Do not continue walking if you become faint or exhausted. Stop, sit and call the emergency number for help. Be prepared to describe your location.

Tips:

- Purchase the WFBIM t-shirts before the walk and wear on the day as a group.
- We will walk, rain or shine, so wear appropriate clothing.
- As much as possible, arrive and walk together as a group. We will start “registered” groups with prayer every 15 minutes beginning at 8:15 a.m. The last start will be at 10:00 a.m. It takes approximately 1½ hours to complete the walk.
