*“Encouraging MBA Churches to Pray for and to Share Jesus with Every Person in Mobile County by 2012”*

The goal of the Evangelistic Ministries Emphasis is to help every MBA church to enlist and train Evangelistic Ministries Committees. These committees can help with our goal to pray for and share Jesus with every person in Mobile County by 2012.

The MBA baptism ratio in 2005 was 1:69. That means it took 69 Mobile Baptists a whole year to win one person to Jesus!

We are challenging our churches to move toward a 1:10 goal. Let us help you through our evangelism training and outreach events. To learn about and **register** for the various **Training Opportunities**
