

International Ministries Report

Language Churches

July 1, 2010 represented the official first day of the Filipino Baptist Church of Mobile. Cottage Hill is hosting this new work. Praise the Lord.

International Language School

The 2010-2011 school year is about to begin and we are in need of teachers. Training will be in mid August. What an amazing opportunity to be involved in international ministry without leaving Mobile. Student registration is the last week of August and classes begin the first week of September.

Seafarers Ministry

Randolph came with 7 other members to the center for an evening away from the ship. During the devotional, Randolph gave his life to Jesus Christ. The next evening he came in telling of his conversation with his wife. He told us that now he and his wife were starting a morning Bible study together by phone.

Walk For International Ministries

The walk for International Ministries is coming October 9. Please make plans to walk at the center, Dauphin Island, University of Mobile, or at First Baptist Citronelle.
