

SOWING, WATERING, HARVESTING...

Metro Mobile Baptist Campus Ministries is exciting about what God is doing on our campuses and in our Mobile Baptist Association churches in the Metro Mobile Area.

New Work Campuses— Ministry has resumed on campuses of Bishop State and Spring Hill College. We are currently connecting with new students and starting our Spring small group Bible Studies. Please be in prayer for Campus Minister Jerrod Brown as he maintains a presence at the Bishop State Main Campus and makes the most of **opportunities to share Christ**. Please continue to pray for Campus Minister Shannon Hughes as she seeks to grow a small Bible Study Group targeted towards Spring Hill College.

Church Connections— Surveys say that approximately 70% of young adults are losing connection with the church between the ages of 18—23. Metro Mobile BCM wants to see that change. Each fall we intentionally connect students with local congregations through our Church Road Trips and our Wednesday Lunch program. This spring, Campus Ministers Jerrod Brown and Shannon Hughes will be intentionally **connecting students with local congregations** through church visits. If you would like to host a few students at a ministry event or share with students at a Wednesday Lunch, please let us know.

Hope for the City— Metro Mobile BCM has developed the community ministry arm of their ministry into "Hope for the City". This emphasis seeks to engage collegians and High School Students in **missions and ministry right here at home**. If you have a local mission need, have a creative outreach idea, or have a volunteer need within your church, but do not have the people power to pull it off, let us know! We want to partner with you in "doing missions" here at home. How does God desire for you to reach your community?

Campus Evangelism—

Metro Mobile BCM is active in reaching out to collegians with the Good News of Jesus Christ. This Spring semester we will be co-sponsoring an **evangelism training event** with Dauphin Way Baptist Church on January 28th & 29th at the Baptist Student Center. College Students from across Mobile County will gather for "The 505 Experience" to be transformed & equipped to be God's agents in our world. Students will be invited to continue their learning and expand their impact through **weekly evangelism immersions** on the campus each Tuesday @ 5:05 pm. During these immersions they will be share Jesus with other Collegians in a campus setting, while sharpening their God-given gifts. If you have students who may be interested in the training event or the weekly evangelism opportunities, please contact us. **"...I'll let down the nets."** — Luke 5:5

Church Development—Metro Mobile BCM would like to **assist you in ministering to your College Students**. Whether your Church has 1 or 100 college students, you can still have a ministry to them. We would love to offer to our MBA Churches our assistance in the way of consultations, training seminars, ministry audits and special events. Give us a call and we will work with you to help your congregation reach its ministry vision concerning collegians.
