

Executive Committee Report

International Ministries

January 8, 2018

A big thank you to all those who provided sites for the Walk for Bibles and International Ministries. Another big thank you to all who support this great ministry. The Walk raised nearly \$12,000. Praise the Lord!

The International Language School (ILS) is making some changes. Thanks to Airport Boulevard Baptist Church for providing their facilities to host classes each day of the work week starting January 8, 2018. This new ILS Center will provide English, citizenship, and culture

classes for Internationals. There will also be classes for those preparing for mission trips. These classes will provide information on acquiring passports and visas. Instruction will be given on carry-on and checked baggage. Help with some languages for mission teams will also be available.

The International Christmas Celebration was a joyous experience this year as we had many internationals come to share in this time of honoring our Lord. We rejoice with the 2 that made decisions for Christ.

Tyler (pictured on back), from India, is our newest addition for a new language Bible study. This has been an answer to about eighteen months of prayer. We rejoice with the 2 from India who made decisions for Christ in December. Also, we have another person who will lead in a new work aimed at reaching the 11,000 Spanish speakers living in Mobile County. Please pray for two of our language churches as they seek new pastors.

In the month of November, we saw 13 seafarers make decisions for Christ. We distributed Christmas gifts to the seafarers and received many thanks from these people on the ships that entered our port. These gifts were provided by your generous giving to touch the lives of these men and women from around the world. These internationals are far from their homes and families during this special time of the year.

Please continue to pray for us as we seek to reach the nations that God has brought to us in Mobile County.
