It seems like a daunting task—to reach all of the people living in Mobile County with the Gospel of Jesus Christ. If we had to do it by ourselves, it might just be impossible. But it is not—we are NOT alone in our efforts. The Mobile Baptist Association embraces the cooperative missions strategy that helps each of us (individually and congregationally) multiply our impact in our community. We can reach more by working together. The IMPACT MOBILE ANNUAL ASSOCIATIONAL MISSIONS OFFERING allows congregations to support the cooperative efforts of the Mobile Baptist Association and to help each of us to be able to make an eternal difference right here in Mobile County.

"I would like to share with you how a simple weekend at a camp in the woods changed my life forever. For years I had been lost, without hope and spiraling out of control. I was living a worldly life. While on a religious weekend at Camp Whispering Pines, I experienced the love of God that I never felt I

deserved. At the camp, I witnessed God's grace and blessings from people who did not know me and did not judge me. I recommitted my life to Christ that weekend and the impact of that act of faith has put God back in control of my life. God has continued to use me to do his will by reaching out to others who were lost but now are found. God uses Camp Whispering Pines."

"Matt. 28:19 tells me to go into all the world and spread the gospel. God is so good that He brings the world to me. I have been so blessed to be able to volunteer at the International Ministries Center (IMC) and minister to men from all over the world. Our volunteers receive the satisfaction of knowing that we are doing God's will. The main reason I volunteer here is because God loved me so much that He sent His son to give His life for me. The least I can do for Him is to give the rest of my life to Him. Also, I'm 81 years old and still love to play volleyball."

"Getting connected with the BCM here at South Alabama was possibly one of the best decisions in my walk with God. Before I came to South, I was a born again believer, but the only times I was active in ministry was in a church sponsored event or mission trip. Don't get me wrong, they were great opportunities, but I wasn't living a missional lifestyle. The leadership within the BCM has challenged me to do more than say I'm a Christian, but to actively present myself as a Christian in all aspects of my life. I now have a strong desire to not only continue in my current ministry opportunities, but to become a more influential leader and learn more about His word." — Will Davis
