

2025 WALK FOR BIBLES AND INTERNATIONAL MINISTRIES

Mobile Baptist Association

The funds raised through the WFBIM are vital to the work of reaching internationals visiting, or living in, Mobile County. The greatest portion of these funds are used to help minister to the 33,500+ Seafarers who come to Mobile each year. Seafarers are given English New Testaments and Bibles in their heart languages. Chaplains also pray with and minister to Seafarers.
